SUMMARY

Software Engineer specializing in TypeScript, Next.js, and PostgreSQL. Experienced in designing role-based access control systems and multi-entity relational data models, building analytics dashboards, and developing backend systems with Drizzle ORM and optimized API design for analytics and workflow applications.

SKILLS

Frontend: React, Next.js, TanStack Query, Tailwind CSS

Backend: Node.js, NestJS, Drizzle ORM

Databases: PostgreSQL, Redis, MongoDB

Cloud & DevOps: AWS, Docker, Git

Tools & Other: Figma

WORK EXPERIENCE

Software Developer (Volunteer)

February 2026 – Present

Evernorth Foundation

- Lead frontend team of 4 developers, owned overall frontend architecture and code quality
- Ensure responsive design and cross-device compatibility
- Coordinate with UX lead and backend team to ensure seamless integration

TECHNICAL PROJECTS

Inventory & Finance ERP Web Application

Ongoing

- Built end-to-end Renovation ERP with estimate → contract → job → invoice lifecycle
- Designed relational schema covering clients, subcontractors, suppliers, and purchase orders
- Modeled complex financial flows including cost tracking, and automated invoice status

Customer Management Web Application – <https://hc-crm-mvp.vercel.app>

March 2026

- Developed a drag-and-drop Kanban pipeline, FullCalendar-based scheduling, and inline-editable data table
- Built a CRM analytics dashboard including KPIs, pipeline values, deal metrics, and revenue trends
- Implemented optimistic updates with Tanstack Query to provide instant feedback

Cover Letter Filler Web Application – <https://cover-letter-filler.vercel.app>

January 2026

- Developed square bracket-based keyword extraction and automated paragraph detection
- Enabled editing of paragraph content
- Implemented PDF export using Gotenberg (Docker-based conversion)

EDUCATION

Computing Science Diploma

Douglas College – New Westminster, BC

CERTIFICATIONS

- **AWS Certified Security Specialty** (Issued May 2026, Expires May 2029)
- **AWS Certified CloudOps Engineer Associate** (Issued April 2026, Expires April 2029)
- **AWS Certified AI Practitioner** (Issued July 2025, Expires July 2028)
- **AWS Certified Cloud Practitioner** (Issued June 2025, Expires June 2028)
